

Defense Logistics Agency

Joint Training Assessment

DLA Joint Training Plan

- DLA published plan in 98 with draft update in 2001
- DLA AMETLs under review based on changes to mission and new UJTL 5.0
- DLA Exercise Schedule – 22 Exercises per Year
- DLA Training Plan to migrate into JTIMS as soon as technical problems are resolved

Joint Training Assessment

- DLA submits Lessons Learned to Combatant Commands and to Joint Staff on exercise participation
- Internal reviews of Key Performance Indicators
- Feedback to Customer Support Representatives

Recommendations

- Joint Training System needs to address CSAs differently than Combatant Commands
- JTIMs needs to be modified to support CSA requirements
- Integration of AMETLs in Combatant Commands' JMETL
- Assessment of support needs to be integrated in the Combatant Commands' Assessment
- Assessment Teams from Joint Staff-JFCOM to focus on CSA Exercise Participation
